**MEMORANDUM FOR:** Mr. William H. Darden  
Armed Services Committee  
United States Senate  
Washington 25, D. C.

**SUBJECT:** Materials Forwarded to the Committee  
by John Yakubosky

Returned are the materials which had been forwarded to the Committee by John Yakubosky concerning the U-2. These have been reviewed. There is absolutely nothing which is new to us in this. It is simply a question of his interpretation of the data and the photographs. Suffice it to say, I would rather rely on the analysis of the experts than Yakubosky's views. In any event, he has presented nothing new by way of factual evidence.

If there is anything further I can give you on this, please let me know.
